

PolyWhey®

MVP

Sport Floor Finish

The new standard in sport floor finishes

- A superior, high gloss, single component finish created exclusively for use on gymnasiums and other hardwood sport floors.
- Formulated to achieve outstanding mar, scratch, and slip resistance with less than 95 g/L VOCs, offering uncompromising performance and durability.
- A true game changer, MVP contains no carcinogens, has a neutral odor and lets a gym floor be refinished in as little as a day without having to vacate the building.

What customers are saying about PolyWhey MVP Sport Floor Finish:

The primary things we're concerned about with gym floor finish is its durability, ease of maintenance and slip resistance. We're all very pleased with the MVP Sport Floor, from our maintenance staff to the basketball coaches. It's passed every test with flying colors."

– Jeff LeCours, Hardwick School District
