

MEGAVAC[®]

Utilizing our most powerful motor, the MegaVac defines industrial strength. The versatile design allows for quick conversion into a high powered blower while the huge filter capacity contains large amounts of debris. This unit is a "must have" tool in many large industrial facilities and commercial construction sites.

MEGAVAC®

MegaVac Specs

Motor: 1188 watt/9.9 amp
Airflow: 150 CFM
Static Lift: 100"
Weight: 11 lbs.
Sound Level: 66 dB
Intercept Micro® Filter media: 698 sq. in./10 qt.
Four Level® Filtration: 1136 sq. in. total area
Converts to a blower in two easy steps
Includes: a 1 1/2" static-dissipating vacuum hose, a 50' extension cord and two Intercept Micro Filters

VERSATILE • POWERFUL • EFFICIENT

Advantages

Converts to a blower in two quick steps without additional parts or accessories.

With a 10 quart filter capacity, users are able to clean more with less down time.

Organically treated Intercept Micro Filters, featured in our Four Level Filtration system, are up to 99.9% efficient at capturing dust mites, pollen, bacteria and other particulates measuring 1 micron and larger.

The MegaVac has earned the Gold Seal of Approval/Green Label from the Carpet and Rug Institute (CRI), signifying the vacuum system meets higher standards for carpet cleaning effectiveness and indoor air quality.

Meets the requirements of the U.S. Green Building Council's LEED rating system for Green Cleaning – Sustainable Cleaning Equipment.

Proven to eliminate stress and body fatigue by utilizing ergonomically designed handles and patented Two-Piece back plate.

Integrated tool belt keeps accessory tools within your grasp.

Warranty*

3 years on parts, labor and motor. Lifetime on body.

*see owner's manual for complete warranty details
