Prep Recoat Adhesion System

- Recoat sport floors in 3 easy steps:
1. Clean and tack, 2. Optimize adhesion with Bona Prep® using a buffer or an autoscrubber, and 3. Finish.
- Cleans and conditions existing finish to optimize adhesion of new coat of finish
 - Fast - just spray and buff
 - Easy - doesn't require special training
 - Convenient - pre-mixed and ready to use
 - Prep system removes scuff and surface scratches, rather than just covering them

Bona Sport® Game Line Paint

Like any team, sport floor finishing is only as strong as its weakest link. Until now, paint for game lines has been the missing link in sport floor finishing systems. Bona Offers two types of game line paint formulated solely for sport floors. Both are available in vibrant primary base colors that are uniquely designed to create and mach any custom color by blending base colors. Blending, rather than tinting, maintains brightness and application characteristics.

Bona® SuperSport™ Paint

Bona® SuperSport™ paint is fast drying, waterbased game line paint manufactured specifically for use with both waterborne and oil-modified sport floor sealers and finishes.

- GREENGUARD Certified
- No abrasion needed - saves time
- Fast dry times - recoatable in 4-6 hours
- Blend infinite custom colors

Bona CourtLines® Game Line Paint

Bona Courtlines® sport floor paint is a high solids, solvent-based paint manufactured specifically for use with both waterborne and oil-modified sport floor sealers and finishes.

- High-solids, fast-drying, solvent-based paint
- Low-viscosity formula with excellent flow and leveling
- Recoatable after only 24 hours dry time
- Blend infinite custom colors

Bona® SuperSport™ and Bona Courtlines® game paint - the final link to complete your sport floor finishing team.
