COLOR, SEAL & FILL

DURA SEAL® Quick Coat 2 Hour Penetrating Finish – A premium quality, penetrating finish that can be topcoated in 2 hours. Formulated to provide unsurpassed durability and simple maintenance. Dura Seal® Quick Coat is available in existing Dura Seal® colors as well as many certified Minwax® colors. Compatible with all Dura Seal® water-borne and oil-modified finish systems.

DURA SEAL® Penetrating Wood Finish – A fine blend of oil and resin which provides exceptional durability and simple maintenance. Dura Seal® seals and beautifies hardwood floors with your choice of many popular wood tones.

DURA SEAL® 500 Penetrating Fast Drying Sealer – A fast drying penetrating sealer designed to seal bare wood before applying Dura Seal® Polyurethane, Dura Finish® or Paste Wax. Allows for sealing and finishing wood floors in a single day.

DURA SEAL® Quick Dry Sealer – Polyurethane borne sealer, ideal for sealing natural wood floors.

DURA SEAL® Super Base Sealer – Non-ambering waterborne sealer. Super film build.

DURA SEAL® Trowelable Wood Filler – A water-based product for use on floors to fill nail holes and cover minor imperfections in bare and unfinished wood. Available in Red Oak, White Oak, Maple/Ash/Pine, Brazilian Cherry and Walnut.

DURA SEAL® Wood Patch & Wood Putty – Provides excellent holding power between sandings. Both Wood Patch and Wood Putty are available in: Red Oak, White Oak and Maple/Ash/Pine. Wood Putty is also available in all Penetrating Wood Finish colors.

FINISH & PROTECT

DURA SEAL® X-TERRA® – A highly durable, non-ambering, two component water-based finish for high-traffic hardwood floors. Available in Gloss, Semi-Gloss and Satin.

DURA SEAL® 2000 ZC-2 – A powerful aziridine cross-linked system provides heavy duty durability and non-ambering finish for commercial and residential floors. Available in Semi-Gloss and Satin.

DURA SEAL® WaterBased Polyurethane – A one-component water-based polyurethane that applies as easily as Dura Seal® oil-based Polyurethane. Gives the traditional look and durability of an oil-based polyurethane. Available in Matte, Satin, Semi-Gloss and Gloss.

DURA SEAL® Polyurethane – A tough, self-leveling finish that provides exceptional durability and remarkable stain resistance. Available in Gloss, Semi-Gloss, Satin and Matte sheens and aerosol Touch-Up Spray.

DURA SEAL® Paste Wax – A special blend of four waxes that gives hardwood floors the hand-rubbed lustre of fine furniture. This classic product protects and beautifies with minimal maintenance. Available in Neutral or Coffee Brown.

MAINTAIN & BEAUTIFY

DURA SEAL® Dura Finish® Liquid Floor Wax – A rich liquid wax blend that adds a satin lustre to natural and previously stained wood floors. Dura Finish® Liquid Floor Wax is available in Neutral and Coffee Brown.

DURA SEAL® Renovator™ Cleaner and Reconditioner – A special balance of solvent and resin that cleans and reconditions hardwood floors previously finished with Dura Seal® Paste Wax or Dura Seal® Penetrating Finish.

DURA SEAL® Wax & Cleaner – A blend of cleaning agents and wax designed to remove scuff marks and built-up dirt while adding a soft sheen to waxed hardwood floors. Available in Neutral and Coffee Brown.

DURA SEAL® Hardwood Floor Cleaner – This specially formulated solvent-free cleaner gently removes dirt and grime without leaving a residue. Great for all wood floors coated with a clear unwaxed finish.

SPORT SURFACE SYSTEMS

DURA SEAL® Gymthane® Sealer and Finish – A resilient, high gloss urethane finish formulated to enhance the beauty of maple flooring while providing a durable playing surface. Resistant to scuffing and abrasion associated with high traffic sport and leisure floors.

DURA SEAL® Penetrating Gym Treatment – This long-lasting finish for gym floors penetrates deep into the wood fibers and forms a super tough bond to hold up under street shoes, dancing - even roller skating - without scratching or wearing away like a surface coating. Resanding is not necessary. A simple application of Renovator™ will clean, recondition and restore the original lustre in one easy step.
